Wings of the Black Cross Special Number Three

WINGS OF THE BLACK CROSS SPECIAL NUMBER THREE, the Bf 109

by Mark Proulx

Special Number Three is an expanded edition compared to earlier titles in the series. There are 90 captioned photographs spanning 63 pages printed on thick, quality glossy paper. Text provides a glimpse into the evolution of the Bf 109 and the role it played within the Luftwaffe structure. There is also brief discussion on the camouflage and markings of the aircraft.
