

USED FOR 40 YEARS BY ZOUKEI-MURA!!

CHERISHED ZOUKEI-MURA FINISHERS' TOOL FINALLY BECOMES YOURS!

WE STRONGLY RECOMMEND IT!

REASON 1 Up to 15cc in the paint cup!

Paint cup attachment angle adjustable! Enjoy painting just as you imagine, with different ways to hold the spray gun! And what a huge 15cc capacity paint cup! With a paint capacity over twice bigger than usual sprays, complete also huge kits instantly!!

REASON 2 Best tool for precise painting!! Nozzle diameter of 0.3mm!

A 0.3mm diameter nozzle recommended by Zoukei-mura has been adopted! This nozzle built by professionals makes real stable spraying!!

REASON 3 Professional workmanship also in the trigger's tenseness!!

Trigger's tenseness set "softly hard" as required by professional finishers' standards! The fine adjustment of the trigger gives a best & free "pull feeling"!!

HIDEYUKI SHIGETA

President of VOLKS / Zoukei-mura, well known from "The Old Man Blog".
